

To whom it may concern,

I am writing to make you aware of recent incidents where unattended personal property has gone missing within places of worship. Within the reports we have received, it appears as though unattended belongings such as bags and coats have been searched and valuable items such as mobile phones and wallets have been taken. These incidents have occurred in regular daylight hours where the premises have been open.

Can I please ask that you ensure all personal valuables within the premises are monitored or stored safely if unattended. Without causing any unnecessary distress, can I ask that you also look out for any unfamiliar individuals that seem to be acting suspiciously. Finally, if I can also ask that you spread this message to anyone that it may affect we would be most grateful.

If you have any questions regarding the content of this letter, please do not hesitate to contact Sergeant Westwood from the Hitchin Safer Neighbourhood Team on 01438757688.

Kind Regards
